What is AB Courtyard?

AB Courtyard is a two-sided patio wall product that is durable, versatile and a cost effective way to bring value to your landscaping. Use it to build walls and posts in any design, or create stand alone fire pits, ponds and much more.

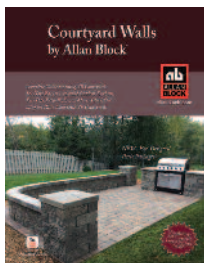

Download our AB Courtyard App today to see all of the AB Courtyard Patio Packages and Elements. Choose your package and receive a detailed design kit that includes a material estimate, installation information, and links to the how-to videos.

Available for Apple tablets and phones, Windows and Mac computers.

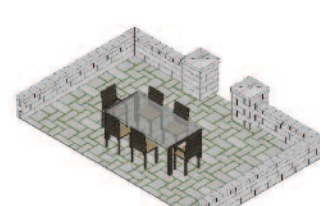

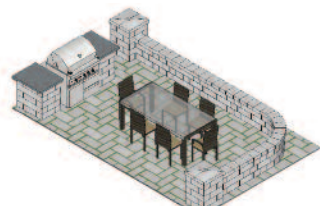

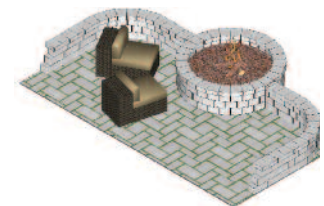

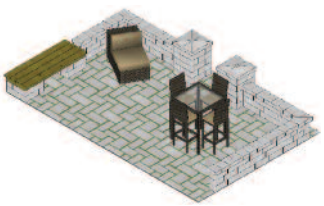

Visit our website at allanblock.com for a complete library of installation videos, detailed instructions, estimating tools, photo gallery, and much more.

Download the AB Courtyard Installation Manual for product information and installation instructions.
